Maurice Etnyre
Deputy Managing Editor
Newsday
3600 Spring Ave.
Mellville, NY 12341

Dear Mr. Etnyre,

Having grown up in Long Island, written for a weekly community newspaper, served as news editor of my university's student newspaper and developed strong multimedia skills, I am writing to apply for a summer internship at *Newsday*.

I know I can give you exactly what you are looking for in an intern. I have strong journalism experience. This year, I have been freelancing for *Garden City Life*, covering stories on education, crime and business. As news editor of Adelphi University's student newspaper, *The Delphian*, I wrote a story on students' widespread discontent with the campus housing selection process that led to a special meeting and the administration announcing major changes in the process. The story won 3rd place for best news story in this year's Columbia Scholastic Journalism Competition.

My knowledge, skill set and background will allow me to get stories that other journalists cannot. As a student at Adelphi, I have maintained a 3.54 G.P.A. My courses included Web Journalism, where I learned multimedia journalism skills. I shot and edited news videos, designed a Website and maintained a blog about Adelphi's women's lacrosse team. In addition, having grown up and lived on Long Island all of my life, I am intimately familiar with your newspaper's coverage area and have cultivated many local sources and contacts.

Enclosed are my resume, writing samples and references. If you are interested in scheduling an interview, please contact me at (718) 555-8932 or sara.student@adelphi.edu.

Regards,

Sara Student
